

## Link Kit Launches "Snow World": Casual Action Defense Game for Android and Windows 8

TOKYO, Sept. 25 /Kyodo JBN-AsiaNet/ --

- Long-awaited Entry into Smartphone App Market with Own Brand -

Link Kit, Inc., a mobile game indie developer in Japan, announced on September 24 2014 that its "Snow World" game for Android, Windows 8 is now available globally for download through the Google Play, Amazon Appstore for Android and Windows 8 Apps.

"Snow World" is a defense-type casual action game set in the snowball fight.

The player becomes a snowman to protect a castle from attacks by an emperor penguin army and repel them. Everyone from children to adults can enjoy the game with a simple operation and stress-free play style, while employing highly strategic maneuvers.

Google Play URL : <http://goo.gl/XPrJKp>

Windows 8 Apps : <http://goo.gl/CRq8mt>

Amazon Appstore for Android : <http://goo.gl/6ThBPq>

\*\* iOS version will be released after passing the screening procedure.

\* Easy & fun battle system \*

Touch an enemy and snowball is automatically shot at him continuously.

As enemy soldiers move toward the city gate, you have to try to repel them before the gate is torn down.

\* Let's master "Tactics" \*

"Tactics" include "Penguin Troops" to attack enemies, and the "Princess" attack power increases by cheers. Through the strategic use of these plots, you can continue to fight off many enemies.

\* Story \*

Far in the South, on a cold, icy island...

There was a magical Snow Crystal that gave life to Snowmen.

The Snowmen lived peacefully with the penguins of the island and built a kingdom with them.

However...

G- G- G- G- G- ...

An evil Emperor penguin conspires to steal the Snow Crystal for himself.

The Emperor penguin uses evil powers to control monsters and is attempting to invade the kingdom!

Snowmen Unite! Cooperate with your penguin allies and protect the Snow Crystal!!

\* Point of interest \*

The player who leads the army of this castle will enjoy the game of defending the castle by your own strategic approach.
